HomeFront NJ | Break the Cycle of Poverty
Home front is the informal term for the civilian populace of the nation at war as an active support system of their military. Military forces depend on the home front so they can do battle. Civilians are traditionally uninvolved in combat, except when the fighting happened to reach their dwelling places. However, the expanded destructive capabilities of modern warfare posed an increased direct threat to civilian populations. With the rapid increase of military technology, the term "military effo
