The Practice of System and Network Administration: Prac ...
Sati or suttee is a largely historical practice found chiefly among Hindus in the northern and pre-modern regions of South Asia, in which a widow sacrifices herself by sitting atop her deceased husband's funeral pyre. The extent to which sati was practised in history is not known with clarity. However, during the early modern Mughal period, it was notably associated with elite Hindu Rajput clans in western India, marking one of the points of divergence between Rajput culture and Islamic Mughal c
