1954 Ford Truck Engine

The second generation of the Ford F-Series is a series of trucks that was produced by Ford from the 1953 to 1956 model years. In line with the previous generation, the F-Series encompassed a wide range of vehicles, ranging from light-duty pickup trucks to heavy-duty commercial vehicles. In place of the previous "Bonus-Built" series, Ford now marketed its truck range as the "Triple Economy" series.
