**The Volvo 140 was the first of the beloved brick-shaped Swedes. It was built for the 1967 through 1975 model years, and it served as the basis for the legendary 240. I owned one, briefly, and found it was a very competent machine for its era. These cars are not worth big money today, unless they're in excellent cosmetic shape, so the ones that stay on the street tend to do so because their ...**
