maintenance. Please view the application guide below. You may also find the NGK spark plug code helpful.

Mercury - Champion Outboard Motor Spark Plug Guide

If you got close to WOT last season with the same prop, at the same elevation, weight, wind, temperature, and your boat bottom is clean, then off the top of my head I'd venture your fuel has gone stale, distributor cap needs to be cleaned or replaced, or your engine is down a cylinder. (loose spark plug wire, etc.)
