I race my 1998 Honda cr250 against my 2001 Kawasaki kx250. My brother Charlie rides my cr250 for the first race and then we switch bikes for the second race. The outcome is pretty crazy! Thanks ...

**Kx250 Top Speed**  
I've owned a 98 KX 250 and still have a 2000 KX 250 and rode both of them in the woods and on the track. The 98 was an absolute tractor in the woods, especially when I changed out the front sprocket with a 12 tooth, and the 2000 handles well in the woods also. IMO either one would be a great winter project.
