1994 Toyota Tercel Engine

The A Series engines are a family of inline-four internal combustion engines with displacement from 1.3 L to 1.8 L produced by Toyota Motor Corporation. The series has cast iron engine blocks and aluminum cylinder heads. To make the engine as short as possible, the cylinders are offset. The original 1A engine was only 550 mm (21.6 in) long. The development of the series began in the late 1970s ...

Toyota A engine - Wikipedia

The Toyota Camry (XV10) is a mid-size car that was produced by Toyota between 1991 and 1996 in Japan and North America, and 1993 and 1997 in Australia. The XV10 series represented the third generation of the Toyota Camry in all markets outside Japan, which followed a long lineage. The XV10 Camry range is split into different model codes indicative of the engine.
