### Ford Zeta engine - Wikipedia

The FSWERKS turbocharger kit for the 2.0 liter Zetec Focus delivers serious horsepower and torque, increasing your engine output by at least 50-100% (depending on octane and boost pressure). Make anywhere from 200-250 engine horsepower with an unmodified stock engine or more with a built engine. The FSWERKS turbocharger kit was developed primarily for stock unmodified engines but also works great with built engines, a clean OEM appearance makes this kit appear like it came from the factory.
