Owner's Manual,2000 GMC Jimmy

I am having trouble with my 2000 GMC Jimmy.

The meter is senseing the engine is overheating. Here is the thing. I took it to the mechanic, he replaced the thermostat, flushed the radiator, and replaced the radiator. Now he is telling me the waterpump may need to be replaced. The radiator I got from a junk yard, and it looked almost new. The container which holds the anifreeze in my car is filthy.
