A "service engine soon" (SES) light is an easy way for your Ford's onboard computer system to bring potential engine problems or failing parts to your attention. However, once you have had the repair completed, the light may not reset itself automatically. To turn the light off, you must perform a manual ...

### 2001 Ford F-150 Turn Off Check Engine Light

I own a 2001 harley f150 Ford truck which has a consistant problem, not diagnosed on several occasions by dealers, the service engine light continually pops on. I was told that the truck had to be in the shop while the light was on in order to diagnose. Shouldn't the computer record this information.
