But it doesn't sound like it will be similar setup as the one in the shop manual. Is there an explanation why the one in the shop manual has what looks like a clear hose coming out just below the gauge and looking at photos of the ones people have made here don't have that hose. ... 2002 seadoo gtx di Sep 10, 2019 #73 The ski runs fine on ...

Good evening everyone, I've just bought a jet ski, 2002 Seadoo GTX Di. It starts right up and seems to have no problem, but previous owner told me, it would start and run great right away, but as soon as you give it close to max speed/rpm, it would like stall for a second, check engine light will come on, and it will continue to run on low rpm and you won't be able to pick speed up again.

Re: 2002 Seadoo GTX DI dying Although this is a DI thread, the carb 951's do not like running at 3/4 throttle, because that is a lean spot. You are better off running WOT on a carb 951.
