The Acura RSX was discontinued as well, as the RSX did not fit within the confines of Acura's re-structured market strategy. This left the Acura TSX as Acura's entry-level vehicle. Also, the introduction of the similarly powerful and less expensive 2006 model-year Honda Civic Si was there to fill in the gap left by the RSX.

### **Honda Integra - Wikipedia**

The signal may not be strong enough for the car to respond. Press the unlock or alarm button on the key fob to determine if the device is sending a strong signal to the car. Because proximity matters, move closer to the car to determine if any signal strength is being produced by the key fob. Replace the battery if the signal isn't detected.
