The MPV was quite successful in its segment, having sold over one million units.

While the run came to an end just in 2016, these vehicles can be serviced by using a Mazda MPV repair manual. The first generation MPV began sales in 1989 and was sold until 1999. From 1989 until 1996, a 2.6L inline four-cylinder engine was used to power the MPV.
