It's easy to search  
Wikibooks by topic, and  
there are separate sections  
for recipes and childrens'  
texbooks. You can download  
any page as a PDF using a  
link provided in the left-

# Download Ebook 2007 Mustang Air Conditioning System Manual

hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
