how much is for a motor swap? - 2007 Scion tC  
I am trying to swap the stereo from my 2007 toyota matrix for a 2007 scion tc stereo. Everything is the same and it fits flush. There are two plugs that go into the back of the stereo. One is for power and the front speakers and the other is for the back speakers and the light face of the radio. That second plug doesnt seem to work.
