Audi VW Engine Camshaft Follower 06D109309C | eEuroparts.com®

That, my friend, depends on a lot of things. If you are running bone stock, use a good quality oil, change it along with your filter every 5,000 miles or so, and are lucky you can probably check it once a year and maybe plan on replacing it that often. I check mine every oil change and replace it every 10,000 miles for sure, but I am running stage II+ with an APR HPFP.
