212 degrees-The Extra Degree-motivational video  
This simple analogy reflects the ultimate definition of excellence. Because it's the one extra degree of effort, in business and life, that can separate the good from the great. This powerful book by S.L. Parker and Mac Anderson gives great examples, great quotes and great stories to illustrate the 212 ° concept.

212 the extra degree  
Going the Extra Degree With 212. This three minute video does a wonderful summary of the 212 philosophy. In words, it is this: At 115 degrees, or even 211 degrees, water is hot. But at 212, water turns to steam, and steam can power a locomotive. If you go that one extra degree, you can create change.
