Early signs of this problem are the check engine light and engine noise. If the timing chain fails, the pistons can hit the valves and cause severe damage to the engine. Engines with the balance shaft worn sprocket were Mercedes-Benz 350 models (Example: E350 C350 etc.) that were equipped with the M272 engine.

manifold, hydraulic lifters, double-strand timing chain and electronic system Bosch ME 9.7. The M273 E46 and M273 E55 engines are the part of this one family.

272 Leyl Engine Timing

The Ford 272 engine was a small blip on the screen for the Ford Motor Company and was produced from 1955 to 1957. The 272 was overshadowed a lot by the Ford 292 V8 which was released the same year and used in the all-new Thunderbird. Probably the most popular car that the 272 ever saw use in was the 1955 and 1957 Ford Fairlane.
