If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

NASA - Models - Cut, Fold and Paste

Fold a piece of paper into quarters and cut a wide-based, curvy triangle out, creating four identical shapes. Glue the wide edge of each of the four triangles to the top of the carton, one triangle on each edge. Gather the tops of the triangles together and tape them in place, sealing the sides, to create the nose of the space shuttle.
