with values for just one material (3, in this case) are not shown.

How to choose between 308L, 309L or 316L filler metal for ...

The only thing worth considering in the .308 win Vs 30-06 showdown is the rifle choice. If you

Get Free 309 Vs 308 As Primary Ss Filler Rod Miller Welding

are a new hunter starting out, go with the 308, you might as well enjoy the benefits. For hunters with long action rifles, unless you want the near-negligible hunting edge of the 308 very badly, do not change equipment.
