'54 Ford Club of America - Forum • View topic - Engine swap
After finally starting the car, there was a horrible screeching sound coming from the back off the engine. Really no way to diagnose the problem without removing the engine and transmission again. I ended up pretty much disassembling the entire car: exhaust, driveshaft, fuel lines, engine,...

Engine Swap Kits – Engine Swap Depot
In this Mustang engine swap we replace the factory 4.6L mod motor in this New Edge Mustang with a 5.4L V-8 engine from a 2000 Ford van - 5.0 Mustang & Super Fords Magazine

[HD] Amtrak Vermonter No. 54 Engine Swap- New Haven, CT
The S54 swap is very similar to the standard 24V DOHC swap for E30's. The E34 M50 oil pan, pump, and dipstick is the simplest method for the E30 subframe. The S54 oil pump sprocket must be used since it has an offset design that will properly align it with the oil pump chain.

I caught the Vermonter swapping engines in New Haven. *The Bonus Clip is a southbound Springfield Shuttle that I caught while waiting for the Barnum & Bailey Circus Train* Thanks for watching and ...

V8 Conversion | National Chevy Association | 1949 to 1954 ...
I think there was another thread about something like this, but it is possible. It'll just take a lot of work and \$\$\$\$. You'll need the new motor, of course, the Coyote's ECU, a new wiring harness and such, I think the motor mounts are different too, and if I remember correctly the 5.0 up to the 4R70W transmission which is probably the one you have on your '06.

S54Swap
I have just bought a 54 331ci Caddy motor to replace my 55s 331. I have noticed that the rear of the 54 motor has a much larger engine compartment compared to the 55s. If I use the 55s original transmission, it will not work as is. Does anyone know if I swap the bellhousing on the old transmission...

Ford F-150 Questions - Engine swap on 5.4 - CarGurus

Have you thought about just mating the Eaton M90 blower from a 1994 T-bird Super Coupe to your engine? The Bird's 3.8 and F150's exactly the same engine block with the 4.2 having a longer stroke. I actually wanted to, and had all the parts, but ran into the issue of injector plug adapter to go from mine to the T-bird fuel rail.
