This introductory guide is meant to address the Muslim who is familiar with the fundamental tenets and sources of legislation in Islam. The reader is not assumed to have elaborate prior knowledge of Islamic nancial contracts, but a certain degree of nancial sophistication will be required.

**Economics Macro Study Guide**

Abstract. Despite various evidences that show Islamic banking has gained popularity even by non-Muslim consumers and businesses in many parts of the world, there is still a general misconception that consumer's choice for Islamic banking is only influenced by religious obligations and thus it is just a Muslim-only affair.
