A Brief History of Indonesia - Tuttle Publishing

Perhaps the Brunei Times is running a series about writing the short histories of different countries in Southeast Asia. Today, it publishes a short history of Indonesia - not particularly accurate, it gives a sense as if there were a series of empires that replaced one another, that Srivijaya was replaced by the Sailendra and the Mataram who in turn were replaced by the Majapahit.

In the beginning. The life of Indonesia is a tale of discovery, oppression and liberation, so it's both impressive and perplexing to see the nation's history displayed in a hokey diorama at Jakarta's National Monument. The exhibit even includes Indonesia's first inhabitant, Java Man (Pithecanthropus erectus), who crossed land bridges to Java over one million years ago.

History of Indonesia - Lonely Planet Travel Information

"A Brief History of Indonesia is an intelligent and lucidly-written piece of work that has more than enough content and drama to attract the general Asian history reader; and is the perfect companion for travellers and tourists who wish to delve deeper than their travel guide's history section and get closer to the beating heart of this troubled yet remarkable nation."

History of Indonesia - Wikipedia

However, the more books on Indonesia you've read (e.g. History of Modern Indonesia by Vickers or the one by Ricklefs), the less new things you'll learn. That said, My review was based on what it says on the cover, as a book covering 'brief history' - and it did a pretty good job at that.
