Underwater Cultural Heritage - UNESCO

Many of the country's smaller villages lie abandoned and in ruins. The industrialisation of fishing and the Danish Government's policy of relocating villagers to larger towns, particularly the capital Nuuk, has left Greenland littered with ghost villages. Indeed, Sarfannguit is the only active village left in the new Unesco Heritage area ...

Pasargadae - Wikipedia

excavation adopted by UNESCO in 1956. Ruins must be maintained and measures necessary for the permanent conservation and protection of architectural features and of objects discovered must be taken. Furthermore, every means must be taken to facilitate the understanding of the monument and to reveal it without ever distorting its meaning.
