Feminist Movement in Art: Expressing Women's Experience
the second half of the 1970s as a response to the constraints of modernism. This has its roots in Marxist feminism and the theory of dependence, which see the development of the North as the fruit of the exploitation of the South⁷. The authors of this chapter are critical of both concepts, and make it clear that

Modernism in the Catholic Church - Wikipedia

Postmodernism is a broad movement that developed in the mid-to-late 20th century across philosophy, the arts, architecture, and criticism, marking a departure from modernism. The term has been more generally applied to describe a historical era said to follow after modernity and the tendencies of this era. Postmodern thinkers frequently describe knowledge claims and value systems as contingent ...
