How Long Does it Take to Form a Habit? Backed by Science. - James Clear
Many different ways have already been described by the other answers. However, many of them either involved ShowDialog() or that form1 stay open but hidden. The best and most intuitive way in my opinion is to simply close form1 and then create form2 from an outside location (i.e. not from within either of those forms). In the case where form1 was created in Main, form2 can simply be created ...

Transportation, Air Pollution, and Climate Change | US EPA
Gender-affirming care is a supportive form of healthcare that consists of an array of services. For young people, receiving this care early is crucial to overall health and well-being. In this resource, OPA describes research that demonstrates the importance of gender-affirming care as well as common terms and services.
