A Night To Remember

As with most pictures about the Titanic, filmed before the discovery of the wreck in 1985, A Night to Remember portrays the Titanic as sinking in one piece. The discovery of the wreck revealed that the ship had broken in two and most films about the ship, Titanic, and Titanic, have reflected this point. Although scholars debate to this day whether the break up happened while the ship was above the water line or while it was under the water, and out of the view of
