Watermelon is the unofficial fruit symbol of summer. The large oval watermelon with the deep red flesh (like Striped Klondike Blue Ribbon) is what you normally think of when you think of watermelons but there are compact smaller fruited versions like Sugar baby and there are even yellow fleshed watermelons like Yellow Doll.

Most conversations about school choice focus on students and families, and for good reason. School choice allows parents to choose the best educational opportunities for their children without having to make financial sacrifices for tuition or move to another district. But there is another important group that benefits from school choice: teachers. Recently, we served [...]

Leaving the Classroom to Start a School — Teachers Who Made the Move

It's not news that the education sector is stuck. After several years of often disastrous COVID-19 policies, students and families need American education's best and most urgent effort. But for all the rhetoric around "reimagining" and "reinventing" schooling, there's precious little to show for it. Instead, experts operate in silos to find solutions, reform and [...]
