A handbook is a living, breathing tool that should be updated and changed every year. As a school principal, it is essential that you keep your student handbook up-to-date. It is also important to realize that every school is different. They have different needs and their students have different issues.

A Student Handbook for Writing in Biology: Karin Knisely

...

A Student Handbook for Writing in Biology is the best investment I ever made. Last year, I had to write my first lab report at the college level. This book took me not only step-by-step through each section of the lab report with a description of each it also provided an actual example of a completed lab report.
