Description Fatigue is the general term used to describe physical and/or mental weariness which extends beyond normal tiredness. Physical fatigue concerns the inability to exert force with ones muscles to the degree that would be expected. It may be an overall tiredness of the whole body, or be confined to particular muscle groups. Physical fatigue most commonly results from physical exercise ...

H125 | Civil helicopters | Airbus

The H225 is a true all-weather helicopter, and the only rotorcraft with full de-icing certified for flights up to severe icing conditions. The H225 is the first helicopter in the industry to benefit from an original equipment manufacturer-issued flight crew operating manual whose intent is to optimise the best use of the aircraft's automation and aircraft systems in offshore missions.
