Machine Disassembly and Replacement - Acer Aspire 6920
Hey all, So, I'm looking into upgrading my acer aspire 6920g. I know it's old, but still works really well, except for a pretty slow hdd. I opened it up today and noticed a connector that I've never seen

From specifications to warranty information, this Aspire 6920G manual should contain all relevant information about the computer. Basic maintenance, including removing and installing RAM and the hard drive, is contained within most user manuals. Also, common troubleshooting information as well as resetting the machine back to its factory condition is usually written into the manual.

Acer Aspire 6920 Review

In the Acer store, I can't seem to find any batteries for the 6920G. I don't care if its high capacity or whatever, I just want a battery that works. And it seems like the only ones that will are official Acer
