Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days.

Hubologist's camp | Fallout Wiki | Fandom

Bradberton is a town on the outskirts of Nuka-World. Named after John-Caleb Bradberton, this company town was founded in 2060 in order to house Nuka-World employees and shorten their commute. It is connected to the highway passing through the area via the Bradberton overpass. There are a number of feral ghouls roaming the streets. The small town Bradberton is built around a main road, with a ...

The Hubologist's camp is a location in Nuka-World in 2287. Before the Great War, the location was the site of a diner and Red Rocket filling station on the outskirts of Nuka-World. By 2287, the site has become a camp for a small group of Hubologists, led by Dara Hubbell. During the quest Trip to the Stars, the Hubologists will abandon the camp in favor of the Nuka-World junkyard. The camp is ...
