It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Principles of Islamic jurisprudence - Wikipedia

In Islamic Law, tazir (or ta'zir, Arabic: تَزِير) refers to punishment for offenses at the discretion of the judge or ruler of the state. It is one of three major types of punishments or sanctions under Sharia Islamic law — hadd, qisas and tazir. The punishments for the Hadd offenses are fixed by the Qur'an or Hadith (i.e. "defined by God"), qisas allow equal retaliation in cases of ...
