Agendas, Alternatives, and Public Policies By John W. Kingdon Instead of looking at how particular programs get put in place or how political decisions are made, Kindgon focuses on how issues come to the attention of government in the first place. Why do some issues get on the agenda on others not?

This chapter examines John Kingdon's book *Agendas, Alternatives, and American Public Policy*, considered an alternative to the more technocratic existing theories of policy-making. It begins by summarizing what the book says about American public policy and looking at the interlocking innovations that made it so important.
