Airguide Barometer for sale | eBay

I have this pedestal mount Airguide tach. I want to use it with a Mercury Mark 58. It has four wires coming out of it. Two are for the internal light, the other two are red and green. After removing the back cover the red is labeled plus(+) and the green is labeled minus(-). Does this tach require a sending unit,or can it be wired direct to the ...

airguide tachometer | eBay

I am trying to find compatibility and wiring instructions for the vintage airguide tachometers with 50s OMC motors. the 56 and 57 30s and 35s. The only source that I had found for documentation looks to have closed down, classicboatworks.com. I couple of years ago I purchased what I thought was a 653 with sending unit and put it on a shelf.

Airguide Tachometer - Marine Engine

Re: airguide tachometer help needed. As I recall from when I replaced an old non working Airguide tach with a newer tach, 1 wire goes to ground and the other wire is connected to the gray tach send lead. Neither should be connect to the kill switch wire.
