Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks.

Akai AX80 | Vintage Synth Explorer

Where the AX80 really shines is in its sheer user-friendliness. The machine is a doddle to program and a joy to play, thanks mainly to the huge fluorescent display. Why Akai didn't follow up on this approach in some of their later products is as mysterious as the whereabouts of Lord Lucan.

Thanks got that! It'll be great just having a user manual around for it. I'll put that in my links. If ever a service manual appears let me know! I think probably it's pretty similar to the other DCAO's of the day from a peek inside and the old Akai description that I archived on the ax80 page. I'm trying to start using the following terms:

AKAI AX80 Service Manual download, schematics, eeprom ...

Akai Professional came to the market with the AX80 at almost exactly the same time as the Yamaha DX7 was released. The AX80 was similarly priced (\$1,500) but, unfortunately (and like so many other manufacturers of analogue synths at the time), the AX80 could not not compete with this new 'flavour of the month' synth.

MATRIXSYNTH: Akai AX80 Manual

There are quite a few good demos of the AX-80 out there already. I wanted to program a few basic sounds and some unique aspects of the AX-80. Some parts I use the Beatstep sequencer, chord memory ...

Akai AX80 (Retrozone) - Sound on Sound

The AX80 is a polyphonic analogue keyboard synthesizer manufactured by Akai Professional in 1984. It was Akai's first venture into the professional electronic musical instrument market. The AX80 used digitally controlled oscillators (DCO) and filter circuitry based on the Curtis Electronics CEM 3372 integrated circuit.

8 Minutes with an Akai AX-80 Synthesizer Video Demo

I just bought an Akai AX80. It looks to be in great shape and powers up, etc. But it does have a couple of noticeable issues. The membrane buttons do not work, which I see is a common problem and think I've got the answer (please refer to later posts for further questions).
