AI Ko Enduro
AL-KO Enduro™ independent trailing arm suspension takes integration to the highest level by utilising only premium AL-KO Shock Absorbers, Australian Made 4x4 style coil springs and automotive grade maintenance free bushes.

AL-KO ENDURO X™ Caravan Suspension
AL-KO Enduro Touring is a new trailing arm suspension system from AL-KO for on-road caravans and camper trailers.

AL-KO Enduro X - AL-KO
AL-KO International Pty Ltd manufactures, markets and distributes a comprehensive range of products for the trailer, caravan and RV markets in Australia and New Zealand. The company is best known for its high quality running gear range, including axles, brakes and suspension products.

AL-KO Enduro Touring - Onroad Independent Trailing Arm ...
Designed and engineered in Australia using the highest quality heavy duty components, the AL-KO Enduro™ range provides caravanners with the freedom to conquer challenging all terrains, while delivering comfort and handling when needed most.

AL-KO Enduro™ – A New Standard in Independent Trailing Arm ...
AL-KO introduced the Enduro trailing arm suspension family back in 2015, specifically designed variants to suit the nature of Australian caravanning. The range includes options for on road touring, semi off-roaders, right up to a long-travel version designed with serious off-road caravans and campers in mind.

New AL-KO ENDURO X™ Caravan Suspension Redefined
AL-KO is at the forefront of this significant transition in the caravan industry, with its locally designed, tested and manufactured Enduro independent trailing arm suspension systems.

AI-Ko Launches Enduro X - GoRV
AL-KO ' s shock absorbers, manufactured at the AL-KO plant in Spain, have always been a work of art, in my opinion, but for the Enduro range, the engineering team has enhanced them to suit Aussie conditions even better!

Suspension Choices? cruisemaster XT, Alko Enduro Outback ...
AI-Ko has launched a new independent caravan suspension system. Enduro X introduces a ' clamshell ' suspension arm, which AI-Ko says reduces the weight of the suspension system " while maintaining the strength needed for the harsh Australian conditions " .

AL-KO Product: Enduro Outback Suspension System
AL-KO ' s shock absorbers, manufactured at the AL-KO plant in Spain, have always been a work of art, in my opinion, but for the Enduro range, the engineering team has enhanced them to suit Aussie conditions even better!

2016 Review: AL-KO Enduro Outback Suspension
Michael Browning from Caravan World road tests AL-KO's latest independent trailing arm suspension release - AL-KO Enduro Cross Country. For more information about AL-KO Enduro Cross Country, visit ...

2016 Review: AL-KO Enduro Cross Country Suspension
The result was AI-Ko Enduro Outback – a heavy-duty, fully-adjustable system rated up to 4.1t – initially introduced in October 2015 and now joined this year by the lighter-duty Enduro Cross Country variant, which is designed to be fitted instead of leaf springs under caravans and campers designed for mostly on-road travel.

AL-KO Enduro Outback Suspension Test - Without A Hitch ...
Hi everyone, Hubby & I have a dilemma, can anyone give a recommendation for any of these three suspensions? Cruisemaster XT, Alko Enduro Outback, or Tuffride by Roo Chassis & trailers?? The dealer says Tuffride!! but not sure, We are leaning to either Cruisemaster or Alko ? any thoughts ?? does anyone have any of these suspensions??

AL-KO ENDURO Technical Literature - AL-KO
Hot on the heels of AI-Ko ' s Enduro Outback independent suspension, which was launched late last year, the technological giant has again sprung into action, bringing a new, and lighter-duty, independent setup to market. The result is the AI-Ko Enduro Cross Country suspension and we tested it recently under a Nova Pride Platinum.

AL-KO ENDURO
AL-KO is proud to introduce its new suspension system for caravans. ENDURO X™ is designed to ensure next-generation performance and handling in unpredictable, off-road conditions.
