The Algebra 2 3.0 works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).

Ordered this for my son, along with a copy of the hardback text book it goes with (the same text book they use at school, this way he doesn't have to carry the book home daily). This workbook is great, if he is struggling with a particular section, he can do some extra problems set up the same as the text book.
