Century of Painting ...

All Too Human takes as its point of departure the early 20th-century nudes of Walter Sickert RA, whose uningratiating tastelessness seems extraordinary for its time. One of the reasons Bacon and Freud failed to reach a wider audience in Britain in the 1960s and 1970s was that even then their work was seen by many as being in bad taste.

begins by following British painting after the Second World War. At this time in our history rumours about what had happened during the Holocaust were trickling into the media.

All Too Human review - The Guardian  
All Too Human explores how artists in Britain have stretched the possibilities of paint in order to capture life around them. The exhibition spans a century of art making, from the early twentieth century through to contemporary developments. London forms the backdrop, where most of the artists lived, studied and exhibited.
