NCLEX TIPS 1. When getting down to two answers, choose the assessment answer (assess, auscultate, monitor, palpate) over the intervention except in an emergency or distress situation. If an answer has an absolute, discard it. Give priority to answers that deal directly to the patient's needs over the machines/equipments. 2.

much use to the NCLEX now. Try making your own study guide and using the NCLEX outline as a guide. I thought about 10 years ago it was copyrighted or the previous member owned rights

FREE Study Plans to Help You Pass the NCLEX 2018 - QD Nurses

I used UWorld and a tiny bit of Saunders, plus an Allnurses NCLEX study guide (Check out: theblacknurse.com for download). My nursing program required Kaplan, but it really didn't help the rationales were sparse and the interface harder to read than UWorld. I completed all the in the Qbank with an average score of 70%, and took ...

Can't Pass This Friggin Nclex! - Lounge - allnurses Breakroom

However, this doesn't always happen. If you don't pass the NCLEX the first time, you can re-take the test after a minimum 45-day wait. When you receive your results you will also receive an NCLEX Candidate Performance Report (CPR). This document is a great resource to use as a study guide. It will outline your weaker areas on the test.
