Altec Connect. Welcome to the all new Altec Connect website. Our new site provides for a more customer-focused experience that will allow our customers to view and search fleet information, order replacement parts and view APNs and service requests.

Altec Boom Manual.pdf - Free Download
Another reason to have a manual for your bucket truck is the maintenance schedule it offers. It details what maintenance is recommended and how often. As an example, most manuals recommend changing the hydraulic oil and breather every 3 years. And after 5 years of operation, the lift cables and leveling cables should be replaced.

Technical Information – Altec Inc
