American Psychosis: How the Federal Government Destroyed ...

Fuller Torrey's book, American Psychosis: How the Federal Government Destroyed the Mental Illness Treatment System, is his account of how we arrived at this conglomeration of failed policies and services systems, the consequences, and suggested solutions.

American Psychosis: How the Federal Government Destroyed ...

American Psychosis ends with tangible practical solutions on how to create a sustainable, affordable system of care.

Priority number one, according to Dr. Torrey, is to let the states or counties take charge by having federal funds meant to help patients go through them rather than through hundreds of disjointed, often counterproductive, finger-in-dyke federal programs that circumvent the states, not to mention people with serious mental illness.

In the 1980s, American psychiatry announced that it was time to toss aside Freudian ideas of mental disorder because the true path to understanding and treating mental illness lay in brain science, biochemistry, and drugs. This sudden call to revolution, however, was not driven by any scientific breakthroughs.

American Psychosis: How the Federal Government Destroyed ...

Torrey examines the Kennedys' involvement in the policy, the role of major players, the responsibility of the state versus the federal government in caring for the mentally ill, the political maneuverings required to pass the legislation, and how closing institutions resulted not in better care - as was the aim - but in underfunded programs, neglect, and higher rates of community violence.
