History of Argumentation Studies | The Great Courses Plus

History is an Argument History is an argument about how to interpret the past, but students often think of it as a timeline of events or a straightforward set of facts. To counteract this, I emphasize in my classes that the past cannot be examined without interpretation, and that historians will arrive at different, and often conflicting, conclusions.

An Argumentation of Historians (Audiobook) by Jodi Taylor ...

Argument is the essence of history. Knowledge of the past is produced by a process of questioning (enquiry) and reasoning (inference): historians interrogate the remains of the past (relics, reports, memories) in order to arrive at knowledge about the past through a process of argument.

What Does Argumentation Mean?

To make an argument from silence (Latin: argumentum ex silentio) is to express a conclusion that is based on the absence of statements in historical documents, rather than their presence. In the field of classical studies, it often refers to the assertion that an author is ignorant of a subject,...
