Angel Evolution, the first book in the Evolution Trilogy by David Estes, is the story of Taylor, a slightly unusual teenage girl in her first year of college who meets a mysterious, gorgeous guy whilst hunting for four leaf clovers in the rain.

angel evolution the trilogy 1 david estes - Bing
Archangel Evolution saw the end of the trilogy close, but left enough of a story there for another book if David so desired. Perhaps not part of this set of books, but maybe another one set at a later time, with different characters, in the same world after the events in the Evolution Trilogy.

Angel Evolution Quotes by David Estes - Goodreads
Demon Evolution is not your typical ' middle ' book in a trilogy. Instead of just going on with the story, Estes gave us more depth to the characters and more reasons to care. The close-knit group of friends has an awesome dynamic.
