Answers To The American Revolution

The American Revolution—also called the U.S. War of Independence—was the insurrection fought between 1775 and 1783 through which 13 of Great Britain's North American colonies threw off British rule to establish the sovereign United States of America, founded with the Declaration of Independence in 1776. British attempts to assert greater control over colonial affairs after a long period ...

The arrival of French ships on the York River pinned Cornwallis between the French Navy and the French and American troops, forcing him to surrender on October 19. With the surrender of the main British army operating in the South, the British Southern Strategy, as well as the major hostilities of the American Revolution, effectively ended.
