API Q1, 9th Edition, Fundamentals and Practitioner Training. Participants will be given insight as to the drivers behind Q1's importance and its value in the Oil & Natural Gas Industry.

Exploration and Production - American Petroleum Institute

API Spec Q1 9th Edition Adds Risk Management. The most important change to API Spec Q1 you need to know is that the API added risk assessment and risk management to the standard. In the ISO 9001 series there is less emphasis on formally documenting risk; API Spec Q1 integrates risk assessment and risk management throughout the standard.
