Apple discontinued the AirPort and AirPort Express line of Wi-Fi devices in April 2018. Because the hardware is no longer being sold and the software no longer being maintained by Apple, we are no longer updating this article. The AirPort Express is still available on the secondary market, though.

Same Day Courier and Smart Courier Services By Appleexpress  
Apple officially discontinued the Apple Airport Express in April of 2018, but it may still be available new from remaining stock, as well as refurbished or used through select online and brick-and-mortar retailers. However, there are still millions of units in use. As a result, this article is being maintained.
