TV Shows: Another core Apple TV channel, TV Shows debuted with the original device in March 2007, serving as one of its most important channels as Apple migrated to a device without a hard drive. Currently, TV Shows primarily offers access to a la carte and season-purchased TV shows, which are priced comparably to episodes on DVD or Blu-Ray Discs, but delivered the day after they 've aired on ...

Apple TV seems simple. You buy it. You plug one end into the wall socket, the other end into your HDTV, and you're good to you. In theory. In reality, there's a bunch of settings you can tweak to make sure everything from the interface color to the streaming size is just to your liking, and several built-in apps like TV and Apple Music you're going to want to get to know really well.
