Border Crossing On A Bicycle – Bicycle Touring Pro

When I bought my first deck of bicycle playing cards and took them out of the box, I was in love. They were very smooth and sturdy. After some time, they began sticking together like glue. Every time I took out the deck from the box, I would have to spend around 10 minutes to un-stick every card. I will most likely not buy from bicycle again.

Choosing between Presta and Schrader bicycle valve types, I picked Presta valves for the inner tubes for my next bicycle tour around the world. The main reason for this, came down to keeping the strength of the wheels rim with the smaller diameter hole. The longer valve stems also make inflating them easier.
