Creative **ART** Journal

Ever since I discovered Laurie Mika and her unique approach to working with polymer clay I wanted to try working with this 'stuff', but always putting it off---thinking I didn't want to go through the learning process. Finally this year, I decided it was time to at least try it. And yes, there is definitely a learning process to it, but during the process I found that you can still come up ...

The Kathryn Wheel

Art journaling is an open-ended form of art on loose paper or in a bound journal where the focus is on the process of creating and of self-expression rather than a particular end result. Drawing, mark-making, writing, painting, and collage are often components. Works often include words, imagery and

My Art Journal - Diane Salter

VISUAL January 2, 2020 2:03 pm. How Yellow Lost Its Good Reputation. The most significant development was the increasing association of yellow with vice and evil – often with the deadly sin of envy (incidentally, though green may be the traditional colour of envy in high culture, in playgrounds of the 1960s, 'yeller' meant 'jealous', possibly because it was a close soundalike).
